

Despite our efforts to try to continue with normality, the reality of events forces us to postpone the **Madrid Football Cup U16 Girls**, that would have been celebrated on the 10<sup>th</sup>, 11<sup>th</sup> and 12<sup>th</sup> of April 2020 in Alcobendas.

All decisions we are going to make from now on will be consistent with the evolution of the situation and in accordance with the official recommendations. Of all of them we will inform you duly.

And in the same way that we will be talking to you, from this very moment on we will also work together with clubs, authorities, hotels, sponsors and collaborators so that, as soon as the circumstances allow it, we will be prepared to start our dream and celebrate this edition. That moment will mark the return to normal and will allow us, with football as our common thread, to show the world everything we have learned.

We choose hope.
